SafeWorks Illinois Announces the Grand Opening of 217 Rehab & Performance Center™

[Champaign, IL – 14 November 2011] It is with much excitement that SafeWorks Illinois announces the grand opening of our new, in-house, outpatient Physical Therapy department, **217 Rehab & Performance Center™**. SafeWorks Illinois has recently decided to partner with Champion Fitness Physical Therapy under the direction of CEO Jeff Schade, in order to make Dr. Fletcher's long-time vision a reality.

SafeWorks feels that because Champion is an established player in the Physical Therapy arena, utilizing their guidance and expertise will enable this new department to succeed. As a new division of SafeWorks Illinois, 217 Rehab & Performance Center will provide physical therapy services to help enhance overall quality of care within our clinic. Dr. David Fletcher and Mr. Jim Blatzer, PA-C, will continue to provide medical direction in order to expedite quality patient care at our 1806 N. Market Street Facility.

217 Rehab & Performance Center will use state-of-the-art physical therapy modalities and customized exercise programs to achieve quality results with medical oversight for each individual patient. We are excited by this new opportunity to offer our patients and clients improved service, along with streamlined communication and quality medical oversight. We hope that through this partnership with Champion Fitness, we will be able to better serve each patient that attends Physical Therapy appointments.

To schedule an appointment, please contact 217.356.6150 x2015.
