Dear Mr. Fletcher:

Jerry Reinsdorf read your letter and asked me to respond.

I'm sorry we cannot grant you permission to stage a "non-violent protest" at the All-Star Game on behalf of Buck Weaver. The White Sox do not control the All-Star Game. It is run completely by Major League Baseball.

Many of our parking lots, including B-lot on the site of old Comiskey, will be used for pre-game parties and hospitality, and there will be no parking available for non-season ticket holders for the All-Star Game. Day of game parking will be at McCormick Place.

Cordially,

Rob Gallas
